

# NASP Fruit Tree Sale

All Proceeds to Benefit Nazareth Area Science Project  
<http://www.nazarethscience.org>

Peaches are self pollinating.

For all other trees, you need to order at least one of each type for best results.

*All trees are bare root and are approximately 5' tall with a diameter of about 5/8"*

Tree	Quantity	Total \$
<b>Red Apple</b> (Galanina) \$15		
<b>Yellow(ish) Apple</b> (Gold Rush) \$15
