General Event Information:

This is a community track meet. No prior experience is required. Just sign up, run, have fun, and show your school pride. The meet will begin promptly at 5:30pm. Please arrive at least 30 minutes prior to your event to check-in, receive ID and pay. All Nazareth Area SD sportsmanship and activity rules apply to this event. You and your child will forfeit the chance to compete due to any conduct that violates school policy. Please have your child wear a T-shirt with his/her school's name on it or a shirt that matches his/hers school colors so we can celebrate our community and school spirit.

Awards will be given for the top three finishers in each event by gender and grade group: (2/3), (4/5/6), (7/8). Each event will have multiple heats. Place will be by final time. Results will be posted near the awards table. We will also be selling assorted snack, drinks, and food at the meet. I look forward to your son or daughter's participation in the meet and I hope that you and the Nazareth community have a positive experience.
