Dear Parents/Guardians:

Welcome to the Nazareth Area School District. We are pleased to announce that we are now accepting registrations for Kindergarten eligible students for the 2021-2022 school year.

Beginning Tuesday March 2, 2021, you can begin the registration process by going to the Nazareth Area School District website www.nazarethasd.org and clicking on **REGISTER STUDENTS**, where you will be able to enter your child's information along with your own. This process will take approximately 20 minutes.

In an effort to support the health and safety of our school community, all registrations will be completed remotely. You must complete the entire registration process online for your student to be enrolled.

You will have the opportunity to provide the required registration documents by either uploading them from your device, or by following some easy steps to upload photos of your documents from your smart phone.

When you begin your registration, you will be able to provide your smart phone number, and then after you finish entering your registration information, you will receive a text message prompting you through the steps to provide photos of your documents.

Thank you for your cooperation with the enrollment process. We look forward to working with you and your child/children. You will receive an email from the District's Registrar when your registration information has been reviewed and your child's registration has been finalized. Please contact us in the Pupil Services office with any questions or concerns at 610-759-1170, ext. 1114.

For your planning purposes, please also be aware that your child's Elementary School is planning to hold an informational Kindergarten Orientation for parents via zoom on the dates indicated below. You will receive the Zoom link invitation through the email address you provide when you complete the registration information. Please monitor the school's website for any changes to this schedule.
